An online PDF interactive version of the guide will be featured on forestcityia.com and cityofforestcity.com websites. Your Chamber Membership listing includes a free clickable link that will drive potential customers directly to your website or social media page (include your link in the blue box to the left).

In March, we will print 2000 guides to be distributed to regional welcome centers and visitor centers. Additional copies will be used to hand out to new residents, new staff at Waldorf University, local businesses, realtors, land to visitors and groups to Forest City.

Feature your business in an ad that will reach thousands. **These ads will provide enhanced visibility for your business and have a clickable link that will bring customers directly to your website site or social media link.**
